REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant has taken subject matter previously indicated as allowable and included it in every independent claim. Applicant's argument with regard to the rejection of claims 7-9 and 16-17 has been considered but is not persuasive (as design choice was never alleged, motivation for combining was provided that did not come from Applicant's disclosure, and one of ordinary skill would be assured of success in attempting to display multiple views of a graphical document on a modern computer with a standard GUI). The amendments to claims 1 and 10 obviate the rejection of claims 7-9, 16, and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David V. Bruce whose telephone number is (571) 272-2487. The examiner can normally be reached on M - Th and alt Fri 8:00 - 4:30 subject to I-Flex.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward J. Glick can be reached on (571) 272-2490. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
